## Hotel Le Ali del Frassino

★★★★S

Via Santa Cristina, 13
37019 Peschiera del Garda (VR)

**Struttura elegante e immersa nella natura,**
**a pochi minuti dal Lago di Garda.**

# A JOURNEY BETWEEN SKULL, POSTURE AND BALANCE

The course is designed to provide professionals with the skills needed to optimize the use of Eq. Eptamed and improve clinical outcomes.

**01 | Cranial Morphology and Postural Balance**

Analytical and practical approach to Eq. Eptamed as a function of cranial morphology and postural balance.

**02 | Evaluation of postural interference**

Identification of any postural receptors involved, to ensure a complete and effective therapeutic path.

**03 | Suitability test and possible changes**

Device verification and helpful guidance for guiding any changes through simple, quick, and repeatable tests.

**04 | Integrated and personalized approach**

Clinical tools to deliver tailored treatments, improving clinical outcomes and patient satisfaction.

# Guided practice test

A moment dedicated to clinical observation, device evaluation and operational comparison.
